Rapport du Président

Assurer la Permanence de L'ARC en Ciel Mauricien

Malgré les difficultés, nous avons pu maintenir nos activités essentielles, à savoir, les cours à l'Université de Maurice ainsi que dans certaines écoles primaires et secondaires. Nous avons continué à nous réunir régulièrement pour évaluer ensemble les progrès de notre pays dans le domaine de la paix et de l'harmonie sociale.

Nous avons aussi entendu les reproches qui nous sont faits dans la mesure où nous ne sommes pas assez présents sur le terrain dans les villes et les villages. Nous sommes donc conscients de notre déficit en communication. Comme dit le proverbe français 'Il ne suffit pas de faire le bien, mais aussi de le faire savoir'. Une de nos priorités pour l'année 2023 sera de mettre sur pied une cellule de communication professionnelle.

L'objectif principal pour l'année 2023 sera de lancer un peu partout à travers l'Ile des cellules interreligieuses, des « Conseils de Religions » régionaux implantés localement. Nous nous réjouissons que l'Université des Mascareignes souhaite s'associer à nous pour que ces cellules interreligieuses sur le terrain aient aussi à cœur le respect de l'environnement et la protection de notre 'maison commune'.

Nous espérons que notre collaboration avec NSIF va aussi pouvoir inclure ces nouveaux projets.

Nous profitons de ce rapport annuel pour remercier tous nos sponsors et l'équipe de NSIF qui nous permettent de continuer notre mission malgré les difficultés économiques et l'incertitude qui menacent nos entreprises. Nous faisons un appel à nos sponsors pour qu'ils continuent de nous soutenir notre engagement social en faveur de la paix.

Notre pays est souvent présenté comme une « terre arc en ciel » ou les différences entre cultures et religions ont appris à se respecter et à travailler ensemble. Attention ! Un arc en ciel, de par sa nature, parait et disparait avec rapidité. Plus que jamais il nous faut garantir la survie de l'arc en ciel. Nous ne sommes pas seuls à travailler dans cette direction. Nous restons ouverts à une collaboration avec d'autres personnes de bonne volonté et d'autres ONGs pour que notre arc en ciel mauricien ne soit pas déchiré par le retour des 'identités meurtrières'.

Report of the Secretary

At the very outset I wish to start by expressing a huge 'Thank You' to all members, well-wishers and sponsors for the phenomenal accomplishment for the year 2022.

- Your dedication, your selfless sense of duty, and above all your sheer professionalism have been veritable lifeboats in these turbulent times.
- Many thanks to our Secretariat Team for running the office with commitment and dedication. You have done a terrific job, stepping up to the challenges of the year and fearlessly forging ahead, building trust, supporting each other, being positive and enthusiastic. It really is an achievement to have met the challenges we faced this year and come out stronger as a team.

Hereunder, I will enumerate quite some remarkable noteworthy achievements for the year 2022.

Summary of the Year

- After 2 years of disruption due to Covid our team is now back to work with more zeal, determination and enthusiasm.
- The Council of Religions embraced to keep all members motivated and involved in the laudable mission and vision it cherishes.

Committee Changes

- There have been some changes within the Committee, new members have joined in.
- Most importantly, amendments to the rules of the present constitution has been drafted, voted and submitted to the Registrar of Association for approval.

High Degree of Attendance at Monthly Committee Meetings:

- A quorum has been present at all meetings, some via Zoom and mostly face-to-face.

Actions and Decisions

- This year Council of Religions has been called to perform some 10 Interfaith prayers in Private Enterprises, Offices, Hotels. Etc.
- CoR has always used Messages and Press releases as an effective way to communicate information about upcoming events, important news and to convey best wishes for religious celebrations. In this respect Cor has released some 20 best wishes messages and Press release to the media.
- Faithful to its mission and vision to promote Peace and Nation building, CoR has engaged in dispensing Courses to UoM, Secondary school and Primary School for six years now. The Diploma Course on 'Peace and Interfaith Studies' Year 3, at the University of Mauritius is ongoing. Classes on moral values and 'Peace and Nation Building' are dispensed to pupils and students at the various educational institution around the island. Till now some 1500 pupils/students have benefited from the courses.

Regional and International Affiliation

CoR is affiliated to the African of Religious Leaders – Religions for Peace since 20 (ACRL -RfP) since November 2012. Since CoR has been participating enthusiastically in ACRL-RfP activities, namely in discussion, Conferences, Workshop, Symposium etc. on world issues, namely, GBV, Campaign to Abolish Nuclear Weapons, poverty, malnutrition, Covid related issues, vaccination, Climate change, etc.

Lately, myself, the Secretary, has been nominated as Governing Board Member & Executive Committee member of the ACRL -RfP and Ms. Aleeyah Lallmohamed as the co-chair of the African Youth Interfaith Network.

The Future Endeavour

- A youth wing of CoR will be launched this year.
- To Launch a documentary Film entitled 'Youth Ahead' on the theme 'Using Religions to boost youth participation in efforts to shape a better Mauritius.'
- To establish ta strong bond with the Diplomacy with a view to work together to fight for the common good. CoR considers that whereas, Diplomacy is the art and science of maintaining peaceful relationships between groups, or individuals, discussing on issues as conflict, poverty, the environment etc., Religious communities are the largest and best-organised civil institutions, claiming the allegiance of thousands across race, class, and national divides and need to work hands in hands if we are to make any real changes.
- To set up an Institute for Peace & Nation building (IPNB), which will help in promoting the establishment of Positive Peace through education and formation. The main aim of the IPNB is to use the Positive Peace Framework, to explore, to consolidate, to expand and to innovate through a clear strategic/analytical exercise.

Conclusion

Faithful to our mission statement, we sincerely hope that in the next year, the CoR team will commit itself to cultivate the spiritual will and moral consciousness to translate the best values of our faith traditions into intentional actions for transformation.

May this coming year bring the Council of Religions unfathomable blessings and unending success.

Bashir Nuckchady
Secretary of the Council of Religions
Executive Committee &

Press Release / Messages

16 Jan : Message of the Council of Religions on the occasion of **World Religion Day**.

There are about 4,200 religions in the world. While many people live their lives without religion, faith in a higher being or power works for the majority of people. Today is even more moving.

The last 28 months of the COVID-19 pandemic have shown the fragility of society, even in the most industrialized and affluent regions where economies, travel, sport and most forms of social interaction have come to a halt, and where healthcare infrastructure is under unprecedented pressure outside of war.

17 Jan : Thaipoosam Cavadee Festival

It is with immense joy that we welcome the festival of **Thaipoosam Cavadee** which is celebrated this year during the month of January. Devotees observe ten days of fasting to purify themselves and to draw closer to God.

01 Feb : The Council of Religions wishes a Happy New Year to all the people celebrating on this day. ***Sin Nian Kwai Lock***. Bonheur 'Fook, Prosperite 'Louk et Longue Vie 'Soo.

On **International Women's Day**, we celebrate women and girls everywhere. We celebrate their contributions to ending the COVID-19 pandemic. Their ideas, innovations and activism that are changing our world for the better. And their leadership across all walks of life.

Women have an equal right to speak with authority on the decisions that affect their lives. Women have played a vital role in public administration.

23 Apr : The members of the Council of Religions cannot remain indifferent to the ***social unrest*** that has affected our population since Wednesday.

The cries of the street express the aspirations of some people who are weakened by the **increase in prices and the cost of living**. When we are weakened we can fall into a reflex of fear that also sometimes generates violence.

Fear is a bad counsellor. We must therefore work to create a sense of security for all those who are afraid of uncertainty about the future.

23 Apr : Positive Peace is the way to Sustainable Growth. Peace is a key component of sustainable development. A healthy business environment is important for development, and in conflict-ridden communities, business operations are disrupted due to the unreliable social services and the prevalence of social problems such as poverty, hunger and inequality.

02 May : Message on the occasion of **Eid-Ul-Fitr**

The Council of Religions, on this holy day of Eid-Ul-Fitr, wishes you and your loved ones all the best. We pray that Almighty God will open the doors to success, family happiness and good health. May your family be protected and your parents be blessed by Allah.

02 Jun : In recent days, the news has been marked by articles and videos alleging cases of **police brutality** and even torture. Whatever the circumstances or the time when these cases may have occurred, the fact remains that this is a serious and serious drift that we are facing.

06 Jul : It must be recognized that our small island Mauritius is going through **difficult times both socio-economically and politically**. The weakening of purchasing power, the ever-increasing cost of living and the constant turbulence on the political scene are fueling the conversations and mindsets of an entire population. At the same time, we live in the digital age of information, with all the benefits and risks that this entails for security.

08 Sep : A very Blessed **Fete Pere Laval** to all Mauritian.

21 Oct : Message for **Divali**

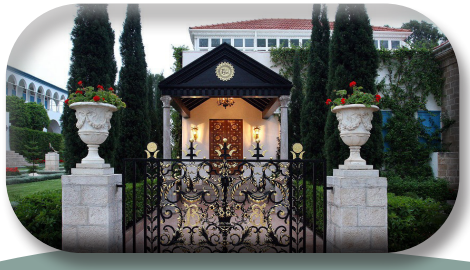

The popular festival is here and again we are privileged to celebrate the victory of light over darkness, goodness over evil, and knowledge over ignorance.

May this time be of spiritual fulfillment for one and all.
